SUNDAY 10 NOVEMBER 2024 - GIVING 1

Joy of Giving

When I was 15 years old I got my first part time job, at McDonalds. As a result I began receiving pay cheques, albeit small ones, for the first time in my life. I am sure I bought something for myself soon after, I don't really remember, but what I do remember is buying my mum her Christmas present that year. I bought her a beautiful

jewellery box that looked like my grandmothers (similar to the one pictured). It was expensive but it brought me so much joy to buy it and then gift it to my Mum. And my mum loved it, even if it wasn't her taste and totally unnecessary. No doubt it also brought me joy how much my expensive gift annoyed my sister.

Nevertheless, all of these feelings wouldn't have occurred if I hadn't given that memorable gift.

The Five Love Languages: How to Express Heartfelt Commitment to Your Mate is a 1992 book by Baptist pastor Gary Chapman and has become a popular way for people to describe the ways they show affection or love and the ways they feel appreciated or loved. One of the languages Chapman proposes is gift giving. Both the recipient and the giver can experience feelings of joy, love, and appreciation in the act of receiving or giving a gift.

Joy of Giving cont...

Today and next week our services will be focused on the theme of giving. Why do we give to our church and to charity? In what ways do we give to our church and the community? I look forward to conversations with you as we explore these questions.

5pm – Sunday, 8 December - Blue Christmas Service

For many, Christmas is a time of joy and celebration as we mark the birth of Christ and spend time with family and friends. However, for some, Christmas brings mixed emotions as they mark Christmas without a loved one. A blue Christmas service is for those who wish to mark the hope of Christmas while acknowledging this time of grief and sadness, of feeling blue.

The service includes a time to acknowledge those who have died with candle lighting and will be followed by supper. The service will be streamed so please let family and friends know about it if you feel this is a service that would be meaningful for them.

7pm – Tuesday, 17 December - Christmas Carols Service

This service will be all about the Christmas story and singing. We have an 8-person choir who will be led by organist Dr Andrew Gardener and conductor Angela Currie.

Andrew and Angela are kindly volunteering their time for the service however we are providing a fee for each of our choristers. We are keen to enable this to be a free event for all who come. If you are able, donations towards the cost of the choir would be appreciated. Please include 'choir' in the description of an electronic donation or you can donate via the church offering on Sunday in a marked envelope. Thank you for your support.

Donations towards the cost of the choir can be made by electronic transfer to:

Accommodation Required in February 2024

Planning is well underway for the next Australian Papuan Cultural Exchange Program (APCEP) course which begins in early February 2025. As usual we are looking for hospitable members of the congregation to offer board and

lodging for the students. They will be here for twelve weeks and we are hoping to place them in one or two homes during their stay. The young women selected this time will

attend Milner International College of English during the

week and the Black Pearl Network will organise outings for them during their program. Hosts would be asked to provide a safe comfortable place for them to stay for up to 12 weeks but preferably for at least 6 weeks as moving house is a stressful time for the

students.

If you can help out with accommodation or would like to assist with outings or other activities, please contact Lee-Anne on 0414 153 323

Why I Give...

I first attended All Saints in January 1996 with Richard and our children who, at the time, were aged three and one.

From the very beginning we were made to feel so very welcome and we were all included in many aspects of life at Floreat.

We felt supported, nurtured and encouraged. As a young family with no extended family in Australia this congregation became our family.

In today's world there is a shortage of role-models, but this place has them in spades. When we first joined, we were inspired to follow the example of so many of the Saints already here – I think of Wendy and Ray Mawson and Glynn and Hazel Mawson and Neil and Vi Durston who set a high bar for behaving with integrity and morals, but with large doses of love imbued. Then there are many from those days and newer members, still inspiring us today – this time no names, as I would just need to print out the whole directory as you would all be on my list.

So it is that *I believe in this place* as much as I believe in God. The community that exists, the care and love extended to all no matter where you come from, whether young or old, all races, genders and abilities; this is such an asset undoubtably worthy of preservation for future generations; and that is why I give of my time and resources to try, in the best way I can to keep All Saints alive for many more years to come.

Containers for Change raising fund for Floreat Uniting Church Creative Living Centre.

Total funds raised from eligible drink containers from All Saints Floreat, Wembley Downs and Trinity North Uniting Churches and associates, has passed more than \$14,000 on 28th October 2024. The average rate of money

being raised for the charitable work of Floreat Creative Living Centre is over \$9.5 per day.

Major but hidden impacts are climatic and environmental benefits from the recycling of the aluminium, plastics, glass, cardboard and steel. These benefits are an important part of our Mission Plan for Creation Care. The work is sometimes messy and inconvenient but essential if future generations are to enjoy planet Earth.

Highlights from the Papuan Provinces

As Ross, Kerry, Lee-Anne and Mina (Black Pearl Papua Administrator) struggled through security clearance procedures at Sorong Airport recently there was suddenly a very helpful young man at their elbows assisting in the most beautiful English. "Are you from Black Pearl", he asked? "I was a student in the BPEC class in Malamo!".

Just goes to show to what good use the BPEC English classes have been put.

This young man is working on the frontline of tourism in Papua, interacting with visitors from all over the world using the gift of English given to him thanks to your support.
