SUNDAY 17 NOVEMBER 2024 - GIVING 2

Giving the Gift of Hope, Empowerment and Growth

I'm sure you will have seen the Uniting World *Everything in Common Gift Catalogue 2024* on the table in the foyer.

“Everything in Common” is a special initiative of Uniting World. The idea behind the gift catalogue is simple yet powerful: instead of material gifts, you can choose from a range of options that provide tangible support for communities, helping to address poverty, support education, improve healthcare, and build resilient livelihoods. These gifts not only bring joy to the recipient but also foster hope, empowerment, and growth for individuals and communities facing significant challenges.

The choices in the catalogue offer a refreshing alternative to consumer-driven gift-giving. Rather than purchasing items that may be quickly forgotten, these gifts provide enduring benefits to individuals, families, and entire communities. It's a chance to stand in solidarity with marginalized populations and to contribute directly to their long-term empowerment.

Giving through Uniting World's catalogue also strengthens global connections, as donors gain insight into the lives and resilience of communities in places like the Pacific, Asia, and Africa. Through these gifts, we are reminded that we all have a role in creating a more just, compassionate, and equitable world.

5pm – Sunday, 8 December - Blue Christmas Service

For many, Christmas is a time of joy and celebration as we mark the birth of Christ and spend time with family and friends. However, for some, Christmas brings mixed emotions as they mark Christmas without a loved one. A blue Christmas service is for those who wish to mark the hope of Christmas while acknowledging this time of grief and sadness, of feeling blue.

The service includes a time to acknowledge those who have died with candle lighting and will be followed by supper. The service will be streamed so please let family and friends know about it if you feel this is a service that would be meaningful for them.

7pm – Tuesday, 17 December - Christmas Carols Service

This service will be all about the Christmas story and singing. We have an 8-person choir who will be led by organist Dr Andrew Gardener and conductor Angela Currie.

Andrew and Angela are kindly volunteering their time for the service however we are providing a fee for each of our choristers. We are keen to enable this to be a free event for all who come. If you are able, donations towards the cost of the choir would be appreciated. Please include 'choir' in the description of an electronic donation or you can donate via the church offering on Sunday in a marked envelope. Thank you for your support.

Offerings may be made to the church via bank transfer to:

Account Name: Uniting Church in Australia - Parish of Floreat

Accommodation Required in February 2024

Planning is well underway for the next Australian Papuan Cultural Exchange Program (APCEP) course which begins in early February 2025. As usual we are looking for hospitable members of the congregation to offer board and

lodging for the students. They will be here for twelve weeks and we are hoping to place them in one or two homes during their stay. The young women selected this time will

attend Milner International College of English during the

week and the Black Pearl Network will organise outings for them during their program. Hosts would be asked to provide a safe comfortable place for them to stay for up to 12 weeks but preferably for at least 6 weeks as moving house is a stressful time for the

students.

If you can help out with accommodation or would like to assist with outings or other activities, please contact Lee-Anne on 0414 153 323

Cards for Christmas

The card making group got together recently to make Christmas cards. Margaret Davies, Felicity Taylor, Cath Walker and myself had a very productive and pleasant morning. It's a great way of catching up and getting to know each other better. The cards turned out beautifully. They can be seen and purchased for the bargain price of \$2.50 each. The card stand is in the entrance hall. The proceeds of the sales go to the English teaching program in West Papua.

Thank you for your support.

Reflections on Giving

The most important decision I made was to invest my money, time and talents to the Church.

Although I was born into a Christian family, I received my conversion to God attending a Methodist youth camp at Glen Forrest in my youth. At that time I was attending the Claremont Methodist Church and took on the role of Secretary/Treasurer at the Sunday school under the supervision of George Idle. Over the years George was a very close friend and was very helpful with his encouragement, guidance and advice with my Christian journey. He also was my Best Man at my wedding to Peggy.

Other involvements with the Church were Treasurer/adviser of the Uniting Church campsite at Parkerville and my many duties and involvement at our Floreat Uniting Church. It was through Bill Gamel I took up the role of Finance recorder after a Stewardship programme in 1987.

Psalm 127 touches on God's guidance in our lives and I found true security and wellbeing following God's guidance and placing my trust in God in my work, family and society. Through my giving to the Church I have received wonderful support from the Ministers & congregation particularly with the passing of my wife (2009) and daughter (2010).

I met my wife Peggy at the Claremont Methodist Church and settled in Floreat in 1957 and attended the Floreat Methodist Church. We both became involved with the Church with our gifts and talents. In my giving, I have made a bequest in my will to the Church.

I truly believe that I am here today through the support of the Church, through the ministers and congregation.
